- Battery and Front Ensemble are referred to collectively as **Percussion**.

What Does a Season Entail?

The following is an overview of a typical season. Be sure to check this season's specific schedule to ensure you have all dates, times and events properly entered into your calendar. Yes, being part of NPMK is a huge commitment, but it is worth the effort. Make sure you also read and understand the attendance policy that follows this section. The most up-to-date calendar can be found on the Band App (see [Communication](#)) and the [NP Band Google Calendar](#):

Winter & Spring NPMK Training Camps

These provide students with a chance to meet the veteran members of the band, learn the basics of movement and marching, and start rehearsing the music for the upcoming season. Students can attend one, some, or all of the camps and there is no commitment or pressure to join.

- These camps are open to the current school year 7th – 11th grade students.
- Emails detailing the dates of the camps come out in January.
- Percussion and Color Guard training camps start later in the spring after the Indoor Percussion and Color Guard seasons end.
- STUDENTS must fill out the online registration form using their North Penn email address to participate in these events.

Summer Mini-Camps & Rehearsals

- Tuesday evenings from 6:00 – 9:00PM. Percussion only: Thursday evenings from 6:00 – 9:00PM.
- 1st Tuesday in June is the official kickoff to the season and is celebrated with an ice cream social provided by NPMA.
- There is a **Mandatory Student/Parent Meeting** in mid-June. This meeting makes sure that everyone understands the commitment and gets a better idea of what to expect during the season.
- **June Mini-Camp** is scheduled right after the end of the school year. It is usually comprised of three days of 6-hour rehearsals.
- **July Mini-Camp** is scheduled during the last week of the month and is usually comprised of 6-hour rehearsals on Tuesday – Thursday.

Band Camp

- First two full weeks of August:
 - Monday – Thursday from 1:00 – 9:00PM
 - Band Camp is critical for learning the show. Dinner is provided.

Fall Rehearsals & Mini-Camp

- Late August
 - Tuesday – Thursday from 6:00 – 9:00PM until school starts
- Start of School through 1st Weekend of November:
 - Monday, Tuesday & Thursday from 6:30 – 9:00PM
 - Rehearsal days may vary based on holidays and extra preparation for Nationals.
- **September Mini-Camp** takes place on a Saturday in September.

Football Games

- Football season starts at the end of August and goes through October with the potential for Playoff Games in November.
- Games are usually on Friday evenings, but some are on Thursdays due to holidays.
- Practice starts at 3:30PM.
 - 10th-12th graders generally don't go home after school. Middle schoolers can take the sports bus (activity bus) from their respective middle school, or parents can drop them off in time for rehearsal. Bring uniform to Thursday night practice.
- Dinner is provided (usually pizza or hoagies).
 - At the beginning of the season, the parent committee in charge of meals will send a Google form for each student to complete to indicate their pizza and hoagie preferences. If a student does not like what is offered, they will need to bring their own meal.
- Transportation is provided to and from away games. The schedule will indicate where the game is going to be each week.
- NPMK usually performs before the game (6:40PM) at home football games and during half-time at away football games.
- Band members play in the stands during the game. They are "off" during the 3rd quarter when they can get snacks/drinks, if desired. Band members get a \$1 discount at the concession stand.
- Students are expected to stay for the entire game. They should be picked up from the Band Lot after the game (usually ~9:30PM).
- For away games, the Band App will be updated with the anticipated return time.
- Parent volunteers are needed for Concessions, Chaperones & Knight Crew (see Volunteer Opportunities).

Competitions

- Competitions start in middle/late September and are on Saturday evenings.
- The day starts with practice, usually beginning late-morning. Expect the kids to be busy all day.
- A hot, filling dinner is provided by NPMA (ex: pasta, meatballs, mac & cheese, chicken tenders, salad, dessert, etc.). A menu of what is going to be served will be provided in the Weekly Bulletin. If a student does not like what is offered, they will need to bring their own meal.
- Transportation is provided to and from the performance location, which will be posted in the calendar.
- NPMK primarily competes in the US Bands Circuit. We are Group V (the largest bands with 95+ members) and Open Class (the most advanced level). See usbands.org for more information about the organization.
- The more support they have in the stands, the more fun it is for our kids, so make sure to come out to join the NMPK Cheering Section!
- Arrival back to school after competitions can be very, very late (~12AM). NPMK usually performs later in the evening and stays for the awards ceremony at the end. The Band App will be updated with the anticipated return time.
- Parent volunteers are needed for Chaperones & Knight Crew (see Volunteer Opportunities).

Parades

- Mardi Gras Parade
 - Lansdale's Holiday Parade on the third Saturday in November.
 - Report time and location will be announced.
- Lansdale Memorial Day Parade
 - Memorial Day
 - If your student is a 9th grader, they will march in the Hatfield Memorial Day parade instead of the Lansdale. The middle school director will provide details regarding this parade.

Special Events

- **Knight of Sound:** Our biggest fundraiser of the season! This is NPMK's home competition show. We need every family to participate! Signups to chair a committee or volunteer on the day of the event will be posted in the Weekly Bulletin and Band App. All families are required to volunteer for at least 4 hours. If not, a \$50 fee will be assessed to your child's account.
- **Champs Dinner:** A night to celebrate all the success of the season. Each section gets an area of the cafeteria for parents to decorate in the theme of the show, and gifts are also presented to each participant. Parents create a poster for their child with pictures from the season. Section leader parents will help coordinate. Dinner is provided and served by alumni. As a tradition, we keep the details of this night a SECRET for all new members!
- **Community Knight:** Held the Monday after Nationals in early November, this is the last time the show will be performed for the season. This event is open to the entire community, free of charge, to come out and enjoy a fun & entertaining evening. Seniors are recognized and they perform a seniors-only version of the show. The night ends with the much-anticipated Drill Down.
- Additional events will be announced if and when they arise.

What is the Attendance Policy?

Report known absences as soon as possible at: <http://bit.ly/NPMKabsence>, and email Mr. Santanello for any last minute/unscheduled absences at santanji@npenn.org. Excessive absences, excused or unexcused, may result in dismissal from the Marching Knights.

Summer Season (June 19 - August 15)

- Attendance at Mini-Camps and Rehearsals is **expected**. Attendance at Band Camp is **mandatory**.
- Students are excused for illness, vacations, summer camps and major family events (weddings, funerals, etc.).
- Students are NOT excused for work or minor family events (birthdays, etc.).

Fall Season (August 22 - November 8)

- Absences should be strictly limited to major family events (vacations, weddings, bar mitzvahs, funerals, etc.) and student illness (enough to keep a child home from school). These are considered Excused Absences at the discretion of the NPMK Director.
- Work, homework, family birthdays, concerts and other such events are not considered excused absences. Such conflicts must be worked out so that students can attend NPMK rehearsals.
- **A student with any unexcused absences or more than one excused absence during a given week will not be permitted to perform that week.**
- Multiple missed performances will result in dismissal from the organization.

Why is Attendance such a Big Deal?

Mr. Santanello's Facebook post

"If there are 111 students in the band, why would one student missing be such a problem? The reason we want students to attend rehearsal probably seems obvious. If your child is not here practicing, they are not getting better! But it goes a lot deeper than that. The thing that makes Marching Band special is that every single student is not only important but essential to the performance. There is no bench or 2nd string in Marching Band like there is in sports. Every student has their own customized spot in the band and if they are not present, there is no one to fill their spot. It just becomes a blank spot in the drill or the music.

Students missing from performances on Friday and Saturday nights is even more of a problem. When there are blanks in the drill due to missing students, it makes the drill less readable to a Visual Judge meaning we are likely to get a lower score. And while it's not all about the score, it is certainly a bummer for our kids to get penalized for missing students after all the work they've put in.

But it's not just the missing person that's a problem. Having a blank makes it **significantly** harder for students who march next to that blank. On any one of our 80+ drill sets, students are using the people around them to accurately gauge where they need to be. When they lose the person next to them, it's like flying blind. They lose a major amount of context to their visual performance. So that missing student creates a ripple effect across the band. Every missing student leads to worse and worse results.

In Marching Band, everyone is a starter! When someone is missing, nothing can be changed or adjusted to accommodate it. No one can come fill your place. You're literally **irreplaceable!**

As always when I have these attendance conversations, I stress that there are certain absences that can't be avoided. I'm realistic and understanding about that! What we're really trying to crack down on are absences that can be avoided. Thanks for your help with this – it makes this a much better experience for your kids."

How Much Does Marching Band Cost (Finances/Fees)?

Yes, it does cost money for your student(s) to participate in the Marching Knights. The marching band program is pretty much self-funded, and in order to be able to afford staff and show necessities, participation fees are necessary.

Membership Fee: There is a standard fee for each student as well as additional costs for accessories such as shoes and gloves. Fees vary each year. To view details for our current season, visit the [Registration page](#) on our website. Payments are broken into four monthly installments. Our goal is to have every student that wants to participate, participate. We don't money to be an obstacle. See "Knights in Need" below for information on financial assistance.

Cut Time: This app lists your fees owed, payments made, and any student credit (fundraising) earned. This is the portal for all student financials. Contact npma.studentfinancials@gmail.com to obtain access or if you have any questions.

Knights in Need (Financial Assistance): Do not hesitate to take advantage of this resource, if needed! A "Knights in Need" form must be completed and approved by the NPMA President and Director of Bands to qualify for use of these funds, and confidentiality is strictly protected. Reach out to the Director for additional information. This program is funded through the generous donations of our membership and others in the community!

Football Game Tickets: Unless chaperoning or volunteering with Knight Crew or Concessions, you will need to purchase tickets to attend football games and see the NPMK perform. Football tickets must be purchased online at https://nphs.npenn.org/our_school/nphs_athletics/tickets/. No cash tickets will be sold at the door.

Competition Tickets: Unless chaperoning or volunteering with Knight Crew, you will need to purchase tickets to attend competitions. For most competitions, tickets can be purchased at the door for \$10-15. Most schools also sell Candy Grams or Air Grams for \$2-5 so you can show your kid you're proud of them! These purchases help support the music program at the host school. For MetLife performances, discount tickets are offered in advance through NPMA (~\$35). Watch the Weekly Bulletin for information on when and how to purchase.

Volunteer Discount: There is a Volunteer Discount Opt-in that reduces the Membership Fee by \$100 in exchange for 15 hours of volunteering per family. There will be ample opportunities for parents and/or siblings to sign up for dozens of different volunteer activities. Hours will be tracked and recorded by NPMA.

- Note that Cut Time shows your fees due WITHOUT the discount. Once your volunteer hours have been met, the discount will be credited to your account.
- If you sign up for the Volunteer Discount but do not complete the 15-hour requirement. The final payment of \$100 will be due at the end of the season.

What do I get for my Fees?

This is a general idea of what is covered by the membership fee. You can also view the [Annual Budget](#) on our website.

Competition Show:

- Highly trained staff. NPMA pays all staff salaries except the Directors (in 2022, 23 staff members: \$47,350)
- Fees and equipment rentals (in 2022, >\$6,000)
- Show rights, design and props (in 2022, >\$18,000).

Meals:

- Concession stand discount for NPMK members at football games

Transportation: Charter buses for MetLife Nationals in November

Ice Cream Social: June Kick-off celebration

Are there Fundraising Opportunities?

Still in a bit of sticker shock? There are ways to fundraise to offset the cost of fees. View the Weekly Bulletin and the [Fundraising page](#) on our website for current opportunities.

Individual Fundraising Opportunities: These opportunities provide funds directly to your student's account. All earned fundraising credit is tracked in Cut Time.

- **RaiseRight Gift Cards:** Earn student credit by purchasing gift cards. Download the RaiseRight app on your device or visit www.raiseright.com on your computer. Each gift card will specify the percentage of sales that goes towards your student's account. Orders for tangible gift cards are placed every other Sunday and are distributed after rehearsals on Thursday nights or at Hospitality Knight. During the off-season, pick up of gift cards can be arranged with the coordinator. E-gift cards are ready to use once payment is completed. Direct any questions to npma.raiseright@gmail.com.
 - To sign up, use Enrollment Code: 3L9CAFEF13638
- **Philly Sports Raffle Tickets:** These are usually available in late-July and are due in mid-September. The drawing occurs in October. Prizes are amazing! For every \$20 ticket sold, the student receives \$10 credit.
- Other fundraisers to be announced.

General Funds Fundraising Opportunities: These opportunities benefit the NPMA general account and are not student specified. Share these events with your friends and neighbors and on your socials!

- **Dine Arounds:** Monthly restaurant fundraisers are scheduled year-round. Watch the Weekly Bulletin for details.
- **Bag BINGO:** Held offsite in early-December. Each band section puts together a themed basket to raffle off at the event, coordinated by Section Leader parents. This is a major fundraiser, and the goal is to include as many community members as possible. Must be 21 or over to attend.
- Have a great idea to raise money? We're always looking for new and innovative ideas. Contact npma.fundraising@gmail.com with your suggestions.

How Can I Get Involved (Volunteer Opportunities)?

Volunteers are crucial for a successful Marching Band Season! The Volunteer Discount is \$100 off the Participation Fee in exchange for 15 hours of volunteer service, but you can always volunteer additional hours!

Volunteer Opportunities – SignUp forms will be posted in the Weekly Bulletin and Band App.

- Join Knight Crew. Help create props at work sessions and get the band on and off the field at football games and competitions.
 - Get into football games and competitions for free.
 - Fun tailgates at competitions!
 - Join the Knight Crew Chat on the Band App to stay informed.
- Sign up to be a Chaperone/Nurse at football games and competitions.
 - Get into football games and competitions for free.
 - Clearances are required. Get instructions at <https://northpennmusic.com/volunteer/>.
- Work Concessions at football games. This is a huge fundraiser! 40-45 people are needed for each game.
 - Get into football games for free.
 - Siblings over the age of 14 can volunteer (their hours will also count towards volunteer service hours).
 - You can sign up for individual time slots. You don't need to work the whole game.
- Volunteer to chair a Knight of Sound committee or help on the day of the event. This is another huge fundraiser. Every family is required to volunteer at least 4 hours or a \$50 fee will be assessed to the child's account.
- Assist with Band Camp, Football and Competition meals.
- Keep an eye out for other opportunities in the Weekly Bulletin and Band App.

Other Ways to Get Involved and Show Your Support

- Attend monthly Parent Meetings.
- Purchase Swag – An online spirit wear sale will be held at the beginning of the season where you can order the “Show Shirt” and other NPMK merchandise. Some merchandise will also be available for purchase at Hospitality Knights.
- Donate food for Band Camp, Football, and Competition meals. See the Weekly Bulletin for SignUps.
- Attend competitions and cheer super loud!
- Support our Sponsors – Wister’s BBQ, Vinny’s Pizzarama and Giuliano’s Deli provide a ton of food for the kids for free or at a discount!

Other Events

Hospitality Knights: The last hour of Thursday evening rehearsals. Come out and see what the students are working on and get a preview of the performance. It usually takes place on the turf field or the practice field adjacent to the tennis courts. Besides observing the band’s progress, this is a good chance to meet other parents, buy tickets to competitions, pickup RaiseRight gift cards, or purchase spirit wear.

Knightmares: NPMK parents “perform” the show on the field. We use makeshift instruments and uniforms and do our best to march in our kids’ footsteps. This usually takes place near the end of the season. The exact date is typically kept a secret from the kids and is a much anticipated and highly entertaining evening.

Halloween Party: A NPMK family typically hosts this event on a Sunday evening.

Random Stuff

Be on time! Report time is usually 30 minutes prior to rehearsal and is clearly marked on the calendar.

Make sure your child hydrates and doesn’t skip meals. The kids need water and good fuel to survive long rehearsal days. Energy drinks are prohibited by Mr. Santanello!

- Clean your water jugs to avoid mold! Yes, members have used moldy water bottles in the past. Cleaning is necessary to avoid getting sick!
- Santanello Pro Tip: Dunk the jug/bottle in a bleach bath, wash with soapy water, then rinse.

Friday Football Transportation for Middle School Students: Each middle school has a sports bus (activity bus) that goes to the high school at the end of the day. Middle school band members can take this bus, or parents can drop them off in time for rehearsal. Late arrival due to transportation from the middle schools is typically excused. Remember to bring your uniform to Thursday night practice.

Band Lot Traffic Flow: When dropping off and picking up from practices, please drive through the band lot in a counter-clockwise direction (see picture below). We also ask that you pull into a parking space rather than pulling up to the driveway to unload. It creates a traffic jam when a lot of cars are arriving at the same time. Thank you!

Friday and Saturday Night Pick-up:

- After away football games and competitions, please don't park along the sidewalk right outside the band lot. The buses need to park there to drop off the kids. Additional parking is available in the "F lot" in front of the school.
- On Saturdays after competitions, show your support by turning on your car's flashers and gathering to cheer for the kids as they get off the buses!

Video Recording Policy: We can NOT put videos of our shows on social media. We purchase the rights to use the music in these programs, and posting our show on social media can cause NPMA to incur fines. We can record without sound or record sound without video, but not both. We can live stream, but we cannot record and post to any websites. If NPTV records our show, it is their responsibility if copyright laws are violated. Reminder: NO POSTING OF ANY SHOWS!

The "OFF" Season

Marching Band season is over. Now what? There are several activities available in the winter and spring months.

NPWP practices 3-4 times a week beginning after the Fall Marching Band season. The indoor competitive season begins in February and continues to early April. Open to grades 9-12. Directed by Sean Haddad (haddadsa@npenn.org).

Visual Ensemble: Indoor color guard performance group using recorded music. A background in gymnastics or dance is helpful, but not required. NPVE practices 2-3 times a week beginning after the Fall Marching Band season. The indoor competitive season begins in February and continues to early April. Open to grades 9-12. Directed by Matt Hurley (hurleym@npenn.org).

Navy & Columbia Jazz Bands: Jazz ensembles open to grades 10-12 by audition. Auditions are held in November.

- The Navy Jazz Band is directed by David DiValentino (divaledm@npenn.org) and rehearses most Tuesday and Thursday afternoons, 2:45 – 4:45PM, from December to April.
- The Columbia Jazz Band is directed by Charlie DiCarne and rehearses every Wednesday night, 7:00 – 9:00PM, from December to April.

Welcome to the North Penn Marching Knights Family!
